The Honorable Doug Hart
State Representative
Michigan House of Representatives
Lansing, Michigan 48913

Dear Mr. Doug Hart,

I am very pleased to send you this letter of endorsement for International Youth Initiative (IYI). As a Permanent Representative of Romania to the United Nations – New York it is my pleasure to support the IYI project, launched by University of Michigan, Michigan Civic Institute, in cooperation with World Hope USA.

I consider this project a very useful initiative and an effort which combine a web based program linking students for discussing key issues affecting them and their future. The students who will participate in the project will have an unique opportunity to share their views on a broad range of specific issues from the national and international perspective. Also, the initiative will provide to all participants a good opportunity to learn about other cultures and to debate in a fully organized framework the global concerns of youth around the world.

I am confident that your leadership and the experience of the Michigan University, through the activities developed by the Michigan Civic Institute, will contribute to the success of your endeavor. I wish you good luck and I fully endorse the International Youth Initiative.

Sincerely,

Ambassador Alexandru Niculescu
Permanent Representative of Romania to the United Nations – New York
